LMA KII with Mukhtar- Nov 18

Consent: We are working for the People in Need Organization, and we would like to ask you some questions about you and your community with the aim of having a better understanding of your living conditions. The survey takes about 30 minutes to complete. Our member organizations will review your answers to help us plan potential responses, This is voluntary and you can end the interview at any time. However we hope that you will participate since we need information from you in order to determine whether your area are eligible for assistance. Please be aware, completing this survey does not guarantee you or your area will receive assistance. Do you have any questions? Do you agree to be interviewed and for the information to be shared with People in Need organizations?
